

REMARKS

The specification has been amended to incorporate the cross reference to related application and to correct minor typographical errors. No new matter has been introduced by the instant amendments.

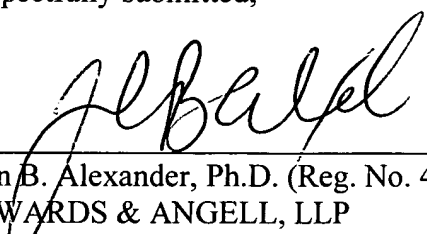

For the sole reason of reducing initial filing fees and removing multiple dependent claim language, claim 4 has been amended and new claims 5 and 6 have been presented. The subject matter of claims 4-6 corresponds to the subject matter of claim 4 as originally presented. No new matter has been added by virtue of the amendments.

Early consideration of the application and claims as amended is earnestly solicited.

Although it is not believed that any additional fees are needed to consider this submission, the Examiner is hereby authorized to charge our deposit account no. 04-1105 should any fee be deemed necessary.

Respectfully submitted,

Date: May 31, 2005
